1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Canceled claim 1 and added claim 2 as follows:

Claim 2. A device for repairing a sliding glass door/window sliding on a roller rail of a track, using plastic with a low friction coefficient as a main sliding mechanism, comprising:

at least one plastic tracking strip having a predetermined length, width and thickness, said tracking strip being attached to the entire length of said track next to the roller rail;

at least one plastic corner-bracket strip having a predetermined length, width and thickness, said corner-bracket strip being bent in roughly 90 degrees widthwise defining a horizontal portion and a vertical portion, in the middle of said corner-bracket strip a split extending lengthwise from a portion of said vertical portion through said horizontal portion, said corner-bracket strip being attached to a lower corner of a said door/window such that said horizontal portion and said vertical portion embrace said lower corner and said split straddles said roller rail of said track, and

Art Unit: 3676

at least one plastic shim having a predetermined length, width and thickness, one side of said shim having an adhesive and being attached to a top surface of said horizontal portion on one or both sides of the split, and

Wherein said at least one plastic tracking strip and said at least one Plastic corner-bracket strip come in contact with each other to make the opening and closing of said sliding door/window relatively easy.

2. The examiner has rewritten the claim to obviate a rejection under 35 USC 112, first and second paragraphs. Applicant's current amendment could have been rejected as containing new matter and being vague and indefinite. This examiner's amendment is entirely based on applicant's current amendment and the disclosure as originally filed.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chuck Mah whose telephone number is (571)272-7059.
